Education

COMSATS University Islamabad

Bachelor of Science in Computer Science

2016 - 2020

Work Experience

Viral Square | Sr. UX UI Designer

2023 - Present

Led end to end design for multiple projects at Viral Square, including IP Gate (SaaS), Grifforce (job portal), Bump Social (video app), Nawaah (education), Jeremy Witt (rental app), Path Rover (navigation), VS website, and Giftscout (gifting), and deployed designs to development.

Convex Tech | UX UI Designer

2022 - 2023

At Convex Tech, worked on the company website design and led the design of CyberMart, including the website, admin dashboard, super admin dashboard, vendor dashboard, and mobile application for users.

Devntech | UX UI Designer

2021 - 2022

At Devntech, worked on an e-commerce multivendor platform named Ali Suq, designing dashboards and the website. Later, designed a dashboard and website for a project based on a barter trade system.
